GETTING SIGNED UP!

ENROLLMENT FEES FOR 2025-2026: \$10 per individual membership (1-time annual fee to Steuben County 4-H Program), \$75 per family to include: memberships, Steubenite Mailing, Fairbook Mailing, participation in County Fundraiser Optional. The Steubenite mailing option will remain at \$15 and the Showcase Premium Book mailing option will remain at \$5 additional to the cost for those who enroll with the individual enrollment fee (\$10).

FIND US ON FACEBOOK!

Steuben County 4-H has a page on Facebook! Be sure to like us and receive updates on what is going on! www.facebook.com/steuben4h

Checking The Web!

It is very important that everyone is checking the web site, www.putknawledgetowork.org and then click on 4-H Youth Development on a weekly basis as new items are appearing on the web site daily. We will keep you informed of upcoming events and changes by posting them on the web site as soon as we get them.

Steuben 4-H Showcase Premiums will be withheld for the following reasons:

- 1. Failure to turn in one complete record per species shown by deadline.**
- 2. Removing exhibits, including animals, from showgrounds before release time or without written consent.**
- 3. Adults preparing 4-H exhibits that the youth will be exhibiting. This includes any preparation of animal exhibits excluding: “Parents or supervising adults may assist only to the extent necessary to ensure the safety of the exhibitor or the exhibit.”**
- 4. Not adhering to the “Code of Conduct” and “Overnight Policy” which includes sleeping in 4-H appropriate, adult supervised areas only.**

SHOWCASE PREMIUM BOOK COVER CONTEST

Would you like to see your drawing featured on the cover this year’s Steuben County 4-H Showcase Premium Book!? We are asking any 4-Her interested to submit their creation (one per member please) to the CCE Office by April 15 to be considered for the contest. We will need your name, age, and what club you are a member of or if you are an independent member. Stuck on what to design? Some things to think about: What does 4-H mean to you? What are some of your favorite things about 4-H? Be sure to think of ALL that 4-H has to offer! The winner’s drawing will be published on the 2025 Steuben County 4-H Showcase Premium Book and be congratulated in the next Steubenite!

Animal Crackers Program

May 3, 2025

All Creatures Great & Small

When/Where: All Creatures Great and Small featuring Dairy, Goat, Poultry & Rabbit/Cavy! To take place in-person on the Cornell Campus on Saturday, May 3, 2025.

Who: The program is geared to 4-H members involved in animal science projects. Youth are strongly encouraged to attend with their parents or chaperones. Suggested age range is 8-12, however, all youth 8 and up are welcome.

Why: This is a unique opportunity for youth to experience hands-on activities, explore career options in animal science, and expand their knowledge through scientific inquiry.

- **How:** Registration is handled through county 4-H offices. **Registrations must be completed by April 22 by 5 p.m.** The online registration form can be found by visiting www.putknowledge2work.org. Cost: \$25/ Youth and \$15 per adult/chaperone. Lunch will be provided for youth and chaperones. Please indicate on the registration any dietary needs. Steuben County will use TSC Paper Clover funds to cover all registration fees so Steuben 4-Her's can go for free!

For more information, including workshop descriptions and tentative schedule please visit [Animal Crackers | CALS \(cornell.edu\)](http://AnimalCrackers|CALScornell.edu)

NYS 4-H Capital Days

The 89th annual 4-H Capital Days Program will be held May 18 - 20, 2025. 4-H Capital Days gives youth an opportunity to meet and interact with legislators and tell their 4-H story. 4-H Capital Days creates awareness of career opportunities in New York State government, better understand state government, and network with delegates from other counties. Delegates are chosen by their county 4-H program.

The objectives of the 4-H Capital Days program are:

- To achieve a better understanding of the New York State policy process.
- To gain a better understanding of state and local government connections.
- To provide delegates the opportunity to meet with legislators and tell their 4-H stories.
- To create an awareness of career opportunities within the New York State Government and Public Service.
- To meet and exchange experiences with delegates from other counties.
-

Steuben County 4-H can send 2 delegates ages 14 and up to Capital Days. For more information and if you are interested in applying to attend, please complete the application by April 15th:

2025 4-H Career Explorations

Hosted annually by the NY State 4-H Office, nearly 500 NYS 4-H youth and chaperones attend the action-packed, three-day event, **June 25-27**, to immerse themselves in exploring their future education, career opportunities, and to experience Cornell University and campus life! The purpose of this program is to provide youth with exposure to various academic fields and potential career options, develop leadership skills, provide hands-on experience in a college setting and introduce youth to Cornell University.

Cornell faculty and graduate students conduct engaged-learning workshops in two age-specific tracks:

- UNIVERSITY U (8th grade and up as of fall of 2025)
- FOCUS FOR TEENS (10th – 12th grade as of fall of 2025)

Workshop choices for Focus for Teens participants and additional program information (event schedule) will be available soon on the event website: <https://nys4-h.org/career-explorations>.

A limited number of youth scholarships (full and partial) are available through the NYS 4-H Office.

Registration is due to Michelle by **May 1** if you are applying for a scholarship or **May 15** if you are not applying for a scholarship. Programs fill extremely fast, be sure to register ASAP!

Steuben County 4-H members can participate for a reduced rate based on his/her 2024 completion of their Sr. Summary Report Form. If the 4-H member completed and submitted a Sr. Summary Report by

the deadline and sold \$75 during the Fall Fundraiser or paid the \$75 Family Enrollment, CCE Steuben will pay for the full registration fee (\$350)! If the 4-H member did not sell \$75 during the Fall Fundraiser or pay the \$75 family enrollment, they will need to pay \$75 of their registration unless they apply and are selected for a NYS 4-H scholarship.

If a 4-H member is interested in attending, but did not complete a 2024 Sr. Summary, but did sell \$75 during the Fall Fundraiser or pay the \$75 family enrollment, Steuben 4-H will pay \$125 towards your registration fee. Youth in this case should also apply for a full or partial scholarship through the NYS 4-H Office.

If a 4-H member is interested in attending, did not complete a 2024 Sr. Summary, did not sell \$75 during the Fall Fundraiser or pay the \$75 family enrollment, Steuben 4-H will pay \$50 towards the registration fee. Youth in this case should also apply for a full or partial scholarship through the NYS 4-H Office.

Please note: In the event a 4-H member registers for a trip but then decides after the registration deadline not to attend, the 4-H family will be responsible for reimbursing Cornell Cooperative Extension of Steuben County any money that CCE has paid toward the trip. A documented emergency would receive consideration for excuse from this rule. Cancellations by May 31st will not be charged. Cancellations after May 31st are still responsible for a \$100 cancellation fee. Same program replacements are allowed, but need to be registered before arrival at the conference. **No shows are charged the \$350 in full and will not be refunded.**

Registration form will be available soon on our website: <http://putknowledgetowork.org/4-h-youth/4-h-trips> Complete your registration and return it to Michelle Chase at the CCE-Steuben Office or mlc353@cornell.edu or fax at 607-776-9103 as soon as possible! **Space is limited in the various program areas and the programs fill up on a first come first serve basis. Registrations MUST be done through a CCE Staff Member, Individuals CANNOT register themselves.**

4-H Families Help is Requested Tractor Supply Spring Paper Clover Fundraiser April 21 – May 5, 2025

4-H families are needed to help sell Paper Clovers. Customers at local Tractor Supply can support 4-H by purchasing paper clovers for \$1. Funds raised during this event help support various activities in

Steuben's 4-H Program such as: 4-H Camp Scholarships, Capital Days trip, Career Exploration trip, curriculum, etc. Having more 4-Hers in stores during the event helps raise more money for the Steuben County 4-H Program and/or your 4-H Club. Remember, pair it up with a bake sale, petting zoo, or other activity to help get donations for your club too! As an added incentive this year, Steuben County 4-H program will give \$50 to the club that sells the most Paper Clovers during this Spring Sale. Besides helping raise money for your local 4-H Program, you can also be entered into Tractor Supply's Paper Clover Sweepstakes, ask the store manager for more info!

Please contact Jenny or Michelle at the CCE Office so we can make sure we have representation at all three stores and also contact the specific Tractor Supply Store manager to notify them that you will be coming and make any necessary arrangements - Bath Store: 607-664-1222, Hornell Store: 607-324-9434, and Painted Post Store: 607-962-2606. If there are other times 4-H Clubs would like to set up a display at their store you can also contact them. Clubs would receive 4-H on Display credit if they set up a display and complete the display record.

Bake Sale Fundraiser Info:

The NYS Health Department office will no longer be issuing food permits for bake sales when the baked goods are prepared in private homes.

They recommend that the baked goods be prepared in a regulated kitchen.

However, you may still hold a bake sale with baked goods prepared in private homes providing that:

- The bake sale is held by a religious, fraternal or charitable organization.
- You sell only non-potentially hazardous baked goods such as cookies, cakes and pies that do not require refrigeration.

In addition, they recommend that you post a clearly visible placard at your bake sale informing consumers that food has been prepared in a kitchen that is not subject to regulation and inspection by the Health Department. For a sample placard contact the CCE Office.

They also recommend that the members of your organization avoid bare hand contact with the baked goods. This can be accomplished by using utensils, napkins, plastic gloves or similar methods.

2025 Free Fishing Days

June 28-29, September 27, November 11

In an effort to connect more people to the sport of fishing, each year, there are several opportunities to fish free in New York State! During those four days, anyone can fish New York State waters, and no fishing license is required (normally required for anyone 16 years and older). The general public can tap into the fun and relaxation of fishing, especially those who might not otherwise get the chance. All anglers are encouraged to take a

and aquatic ecology. Each of DEC's nine regions can sponsor up to four free fishing events per year. Most free fishing events occur during the period

friend fishing. With all that the sport has to offer, some are bound to get hooked. Since no license is required, it is the perfect time to take a friend or relative fishing.

In addition to the June Free Fishing Days weekend, there are a number of "Free Fishing Events/Clinics" held in various locations across the state. Free Fishing Events are DEC sponsored events (such as family fishing clinics) where participants can learn about fish identification, fishing equipment and techniques, fisheries management, angling ethics from April through October. For more information visit <https://www.dec.ny.gov/outdoor/89821.html>

Fishing Related Projects

4-H members who participate in a fishing project have the option of entering several different types of projects at the 4-H Showcase such as a mounted display of five flies or a poster display showing experiences as part of 4-H "Let's Go Fishing" project, or any display relating to fisheries and aquatic resources, in the Showcase Premium Book under Environmental Education. For more information or for resources related to fishing, contact the CCE Office.

@ CCE Steuben

- April 14 - Poultry basics: From chick to egg layer & selecting your breed
- April 15 - Poultry parts & intro to biosecurity
- April 16 - It's showtime! Show prep and showmanship pointers

4-H Animal Science entries for the 4-H Summer Showcase including the poultry entries are due by Monday, July 1st. If you are unsure which class to enter your poultry in, please call the office or plan on attending this clinic.

Rabbit and Cavy Clinic

4-H members must own their rabbits by June 15 to be eligible to show them at the 4-H Summer Showcase. Rabbits must be at least 3 months of age to be exhibited. Rabbits' ages are computed as of the opening day of the Showcase, Thursday, July 24, 2025.

When: TBA – watch Monday Memos for updates!

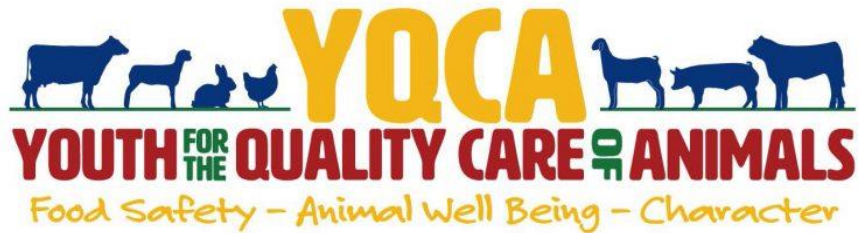

Where: TBA

Why: Instruction will be given on Showmanship and there will be an opportunity to practice showmanship contest. Rabbits must have a permanent tattoo in their left ear to be able to show at the 4-H Showcase. 4-H members may bring their rabbits to the clinic where they can be tattooed for free. The tattoo number must be on the Showcase Entry. Cavies do not need a permanent tattoo but do need an ear clip which will also be available at the clinic. There will also be information available on the parts of the rabbit and cavies, how to determine the gender of your rabbit, clipping your rabbits nails and teeth, record keeping, and information about the NYS Fair 4-H Rabbit Science and Cavy Decathlon. The Rabbit Science and Cavy Decathlon is described on the Department of Animal Science website at www.ansci.cornell.edu.

Watch for Clinic registration information in future Monday Memos!

4-H Animal Science entries for the 4-H Summer Showcase including the rabbit and cavy entries are due Monday, July 1st. If you are unsure which class to enter your rabbit or cavy in plan on attending this clinic.

What is YQCA training you may ask? YQCA is an annual (one hour training) education and certification program focused on food safety, animal well-being and character awareness for youth ages 8 to 21 producing and/or showing pigs, beef cattle, dairy cattle, sheep, goats, rabbits, and poultry. This training is to ensure that animals that 4-Her's are raising are taken care of and are safe for consumption.

2025 Market Animal Rules & Regulations

Please find the updated rules & regulations on [our website!](#)

Leasing Show Animals for the 4-H Showcase

***** Leasing forms do not enter your animal in the Showcase.*****

The non-ownership policy allows 4-H members to designate as their 4-H project animal one (beef, sheep, swine), or two (dairy cattle, goat) non-owned breeding animals. **Market animals are not eligible to be leased.** This allows the 4-H member to show the non-owned/leased animal(s) in its corresponding conformation class.

- The philosophy of Non-Ownership is to give a youngster the opportunity to experience the responsibility of caring for, and showing an animal (that he/she may not otherwise have.)
- Non-Ownership is **not** available to youth already owning an animal of that species. Youth are limited to **one (beef breeding, sheep breeding, swine breeding,) and 2 (dairy cattle, goat,)** non-owned animal(s) per species. The leasing agreements are between the owner of the animal and the 4-H member. *Please note: For beef breeding A leased cow/calf pair is considered to be one animal. Dual designation of one animal is not permitted for dairy cattle and dairy goat. It is also recommended that for dairy and goat leased animals that they are not in the same age class so that the 4-H member can show both of them. Youth who do not own any goats are permitted two non-owned goats. Non-ownership is also available to youth already owning meat or dairy goats but is limited to one (1) leased animal of the other type. E.g. If you own a dairy goat, you*

may lease one (1) meat goat. If you own a meat goat, you may lease one (1) dairy goat.

- These non-owned animals **must** meet all regulations (i.e. registration, health, etc.) pertinent to that species. In addition, exhibitors must supply a non-ownership certificate that is available at the Cornell Cooperative Extension Office.

This certificate must be filled out, have all the proper signatures and be on file at the CCE Office by June 20 for beef, sheep, swine, meat goat, dairy cattle and dairy goat.

Leasing forms do not enter your animal in the Showcase.

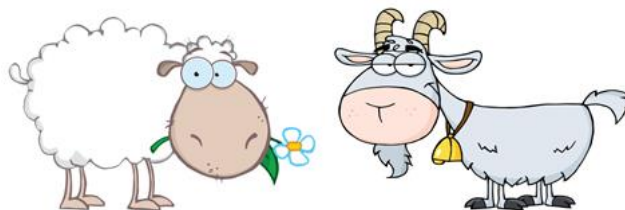

To obtain the leasing form visit the forms page at www.putknowledgetowork.org or contact the CCE office.

For the 4-H member to receive Showcase premiums, project completion and to be eligible to for project champion, the 4-H member must fill out a complete project record and return it to the CCE Office by Monday, September 15, 2025

Attention Goat and Sheep Members

If you are purchasing sheep and goats to use as projects, they must be purchased with the scrapie identification already in the ear. All Goats and Sheep must be identified with a USDA approved scrapie tag OR by a legible registration tattoo for goats OR a legible USDA approved flock tattoo and individual animal ID number for sheep OR a legible USDA approved herd tattoo and individual animal ID number for goats OR electronic ID for sheep and goats if the animal is

enrolled in the Scrapie Flock Certification Program and/or the electronic ID is recorded on the goat's registration paper. Please find further information on how to obtain you're a scrapie tag for your own flock contact the USDA at (518) 858-1424.

2025 Animal Health Requirements for Admission to New York State Fair

A link to the 2025 Animal Health Requirements and interstate health requirements for Admission to NYS and County Fairs can be found at [Animal Health Requirements \(ny.gov\)](https://www.ny.gov/animal-health-requirements) on our website or contact NYS Department of Ag and Markets at 518-457-3502 or contact your local veterinarian.

Please make sure you know the 2025 Health Requirements. **Read the Health Requirements on the [CCE website](#) or read the Showcase Book for health regulations for each species. It is your responsibility to meet the health regulations. The regulations will be enforced for the protection of all exhibitors. If you have questions, contact the CCE Office. All cattle, sheep, swine, and goats exhibited at the Showcase must have a valid Certificate of Veterinary Inspection (CVI). For New York State Animals the CVI must be issued by an Accredited Veterinarian on or after May 1 of the current year. Each animal must be individually and positively identified on the CVI. **There are no exceptions.** Contact your veterinarian to arrange for your CVI.**

ALL CATTLE (beef and dairy), llamas and alpacas regardless of age that will be exhibited at New York State Fair **must be negative to an approved test appropriate to detect BVD-PI (Bovine Viral Diarrhea persistent infection).** The testing veterinarian is responsible to make sure the proper test is conducted. This is a once in a lifetime test that must be reported on the required certificate of veterinary inspection. The issuing veterinarian is responsible for verifying the validity of the test, the identification of the animal and recording the test date on the CVI. If a previous test is not verifiable the test must be repeated.

All sheep or goats exhibited at the 4-H Showcase, must be identified with USDA approved individual scrapie program identification.

All animals consigned to the Market Animal Sale must comply with all drug withdrawal requirements. If your market animal does not adhere to the proper withdrawal time when the market animal arrives to be weighed in then the market animal will not be allowed to be exhibited in its 4-H market class. *Notify your veterinarian that your animal is consigned to the sale before starting any drug treatment.*

State Veterinarians are responsible for reviewing all “certificates of veterinary inspection” (CVI) for compliance with state regulations and for verifying individual identification of exhibited animals presented on a valid CVI. A CVI is required for cattle (beef and dairy), goats, sheep, and swine.

Your **CVI must accompany the animal upon arrival to the 4-H Showcase grounds.** Do not drop your animal off at the grounds without the CVI with the animal. Send your CVI with your trucker if you are arriving after your animals. **Also it would be extremely appreciated if the 4-H member was available to present your animal to the person inspecting your CVI.** The person inspecting your animal must match your animal's identification to the CVI.

Soremouth in Sheep and Goats

Sheep and goats with lesions characteristic of Soremouth are not allowed to be exhibited. If evidence of soremouth is found on any sheep or goat, the entire exhibit including the affected animals shall immediately be removed from the grounds with the holding pens cleaned and disinfected immediately after removal.

Project Record Requirement

All 4-H members who exhibit a project in the 4-H Division at the 2025 4-H Showcase are required to turn into the CCE Office at least one record on their project by 4:30 p.m. on Monday, September 15, 2025, to be eligible to receive 2025 Showcase Premiums for that project. If you fail to meet the September 15th deadline or the record is incomplete, Showcase premiums will NOT be awarded for that project. For example: If you are showing a market lamb and a breeding ewe then you must complete the market lamb record AND breeding ewe record to be eligible to receive your Showcase Premiums for each project. If you show 2 dogs you will be required to turn in 1 dog record. This is the same for **all project, animal and non-animal.** Note: To obtain your 4-H Project Record [visit the web](#), or contact your 4-H leader, or stop at the CCE Office.
****LATE RECORDS WILL NOT BE ACCEPTED** MARKET ANIMAL EXHIBITORS:** If you sell your animal through the 2025 4-H Market Animal Sale you are required to turn in a record for that project to be able to ID a market animal the following year.

Scholarship Opportunities

Dr. Guy Hammond Memorial Scholarship- Steuben County 4-H

Our community lost a special member in the fall of 2022. Dr. Guy Hammond impacted the community in many ways and held great pride in giving back to the youth. Therefore, the Hammond Family will award a \$1,000 scholarship through Cornell Cooperative Extension to a deserving high school senior who is a current member of 4-H and planning to pursue a higher level of education or enter the workforce. One of Dr. Hammond's biggest passions was helping young 4-H members. For many years he donated his services, bought animals from the annual livestock

auction, and was just a friendly face to see during fair week. He understood the hard work it took to prepare 4-H projects each year and appreciated the life skills it taught the youth. The characteristics gained while participating in 4-H are carried with you throughout your life. He would be honored that this memorial scholarship will support 4-H members to become even more resilient in their future careers.

The scholarship application is due on May 31st. More information about this scholarship is available here: [https://s3.amazonaws.com/assets.cce.cornell.edu/attachments/66693/Dr. Guy Hammond Memorial Scholarship Application- Steuben County 4-H.pdf?1710274590](https://s3.amazonaws.com/assets.cce.cornell.edu/attachments/66693/Dr._Guy_Hammond_Memorial_Scholarship_Application-Steuben_County_4-H.pdf?1710274590)

2025 4-H Camp Scholarships Available

The Steuben County 4-H Program will be sponsoring 4-H camp scholarships for Steuben County 4-H members who will be attending either Hidden Valley 4-H Camp in Watkins Glen at www.hiddenvalley4hcamp.org, 4-H Camp Bristol Hills, Canandaigua at www.4-Hcampbristolhills.org this summer. Applications can be found here: <http://putknowledgetowork.org/4-h-youth/4-h-camp>.

To be considered for a scholarship the application must be completed and submitted to the CCE-Steuben office by Friday, April 18, 2025. Applicants will be notified by Friday, April 25th as to the status of their application. For an application visit: <http://putknowledgetowork.org/4-h-youth/4-h-camp>

PURINA OFFERING SCHOLARSHIPS FOR 2025

Purina Animal Nutrition – along with the Land O'Lakes Foundation – has reopened its annual scholarship program designed to assist students with experience in livestock production and animal stewardship in pursuing their passions and furthering their education.

Undergraduate students and current high school seniors who have experience raising and caring for small or large livestock, equine and/or poultry are eligible to apply for a \$5,000 scholarship. Four students will be awarded based on applications that illustrate the impact animal agriculture has had on their lives along with details on academic achievements, leadership skills, community involvement and a clear vision for their future. Scholarship applications will be accepted through April 17, and awardees will be notified in June. Funds will be distributed for the Fall 2025 semester at their current or anticipated educational institution. The scholarship is open to all high school seniors who plan to enroll in full-time undergraduate study at an accredited two- or four-year college, university or vocational-technical school for the entire upcoming academic semester/term and undergraduate students enrolled in an accredited two- or four-year college, university or vocational-technical school.

Past

Steuben 4-H at Regional Horse Extravaganza

On March 1st Steuben County had four 4-H members participate in the 2025 Regional Hippology and Horse Bowl contests held at Manor Intermediate School, in Honeoye Falls, NY.

Hippology is an activity that can enhance learning for 4-H members by letting them showcase their knowledge and understanding of equine science and husbandry in a competitive setting. Participants are able to demonstrate their experience and knowledge gained in horse judging, quiz bowl, speeches, and practical horse management. Phases of the contest include a written exam, identification of items shown on slides, nutrition, parasites & diseases, tack & equipment ID, judging, ID stations, team problems, etc.

For the Hippology contest, this year Steuben had 2 novice members and 2 Junior members competing. Steuben's program was very well represented in both divisions in both contests. Both Junior members qualified for 4-H State Hippology contest is held at the NYS Fair in August and the Novice members swept the contest placing 1st and 2nd, respectively!

Individual results were - Novice: Maggie Fodge, Bath Trailblazers, 1st place; Wyatt Chase, Bath Trailblazers, 2nd earning 1st place as a team! Junior: Madeline Slayton, Wheeler Busy Bees, 1st place; Jaiden Corbitt, Bath Trailblazers, 3rd - combined with another county at the event, they earned top honors of 1st place Junior Team!

The Horse Bowl Competition was equally successful! Horsebowl is more like Jeopardy, but strictly horse questions. Steuben's Junior members faced some fierce competition. Collectively, the combined team once again placed 1st! Individually Madeline placed 1st and Jaiden was 2nd, both qualifying to compete at the State Contest in April at Cornell. Our Novice members repeated their placings individually to finish with Maggie in 1st and Wyatt in 2nd.

Steuben County 4-H Program is proud of these youth and to have them as representatives of our program! The amount of effort and practice they put forth really showcases their dedication and interest in the equine science projects.

Dairy Bowl

Steuben County 4-H youth proudly represented their county at the 2025 Regional Dairy Bowl Contest held on March 15th at Jordan Hall in Geneva, NY. The event, which features a Jeopardy-style team competition, allows participants to showcase their knowledge of the dairy industry, ruminant nutrition, calf health, food safety, crops, and other related fields.

In the **Beginner Division**, Steuben County's own Ethan Waters placed 10th, and Caroline Slayton earned 8th place, demonstrating a solid

understanding of dairy-related topics.

The **Junior Division** saw strong performances from Madeline Slayton and Abigail Waters. Madeline’s impressive 4th place finish earned her an exciting opportunity to compete at the State Dairy Bowl Contest at Cornell University on April 26th.

In the **Senior Division**, Alice Gerow placed 10th individually, contributing to the overall success of Steuben County's participants.

Each participant showed incredible knowledge and commitment, and we can’t wait to watch them continue to grow in their passion for the dairy industry.”

Congratulations to all the participants for their hard work and excellent performances. Steuben County looks forward to even more success at next year’s Dairy Bowl Contest.

Livestock Skillathon

The 2nd Annual Finger Lakes District Livestock Skillathon took place on March 15th at Agritec in Geneva, NY, where 4-H members showcased their knowledge of animal science and livestock management practices. The contest allowed participants to apply skills learned in livestock judging, care, and exhibition, blending hands-on experience with theoretical knowledge.

For the first time, Steuben County sent youth participants to the event. Alice Gerow earned an impressive 2nd place in the senior division, while Madeline Slayton placed 4th in the junior division. Beginners Caroline Slayton and Ethan Waters also had strong showings.

The Skillathon gave youth the opportunity to learn about livestock ownership’s impact on the economy and environment while encouraging continued learning and participation in the industry. It also promoted ethical values, good sportsmanship, and product evaluation skills.

A state contest will be held at the NYS State Fair. Those interested in attending can reach out to Michelle Chase for more information.

Steuben County 4-H Members Participate in County Public Presentation Days

Steuben County 4-H members participated in county- wide public presentations in November 2024 and February 2025. The goal of 4-H Public Presentations is to build a young person’s confidence speaking in front of a group. This year’s participants chose from these categories: demonstration, illustrated talk including PowerPoint, impromptu, speech, dramatic interpretation and interview.

The following individuals participated:

Bath Trailblazers: Payton Adriance, Tess Adriance, Skylar Chase, Wyatt Chase, Jason Cross, Coryn Edwards, Maggie Fodge, Matthew Grimaldi, Ruby Havron, Adalynn McDonald, Preston McDonald, Sawyer McDonald, Logan Smalt, Sienna Smalt, Ainsley Wallace, Greyson Wallace

Boots & Clover: Carter McKinley, Claire McKinley

Country Bumpkins: Audrey Waters

Country Critters: Everett Hanks, Lillian Hanks, Willa Smith

Willing Workers: Ella Deussenberg, Naava Gibson, Amelia Gleason, Alice Hargrave, Gwen Hargrave, Carli McCallum, Mia McCallum, Allison Rogers, Emelia Schubmehl, Haley Smyder, Lily Smyder, Chloe Stephens, Emily Walker

Wheeler Busy Bees: Emma Longwell, Caroline Slayton, Madeline Slayton

Thank you to those who served as volunteer evaluators for the presentations. Evaluators were Kristin Brandt, Sue Schwingel, Ilean Shultheiss, and Gabe Smalt.

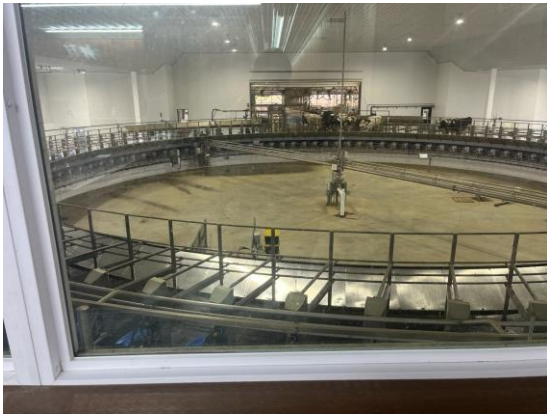

4-H members chosen to present at the 4-H Finger Lakes District event:

Maggie Fodge, Naava Gibson, Ruby Havron, Claire McKinley, Caroline Slayton, Madeline Slayton, Sienna Smalt

Livestock Skillathon Classes

From December through March, Steuben County offered a series of Dairy and Livestock Classes, providing local youth with hands-on learning experiences and valuable farm skills. As part of the program, participants toured local farms, including Lismore Dairy and Alfred State College, where they were given a behind-the-scenes look at various farm operations. A special thank you goes out to Lismore Dairy and Alfred State College for their informative tours and for answering the youth's many questions.

The classes also included practical activities, allowing participants to practice essential skills needed in the day-to-day operations of a farm. These experiences helped deepen their understanding of livestock care and management while fostering interest in the agricultural industry.

4-Hers and Parents Team Up to Build Custom Fishing Poles

This winter, a group of enthusiastic 4-Hers and their parents came together for an exciting hands-on workshop where they created their very own custom fishing poles. The event, designed to teach valuable skills and foster teamwork, allowed participants to experience the full process of building a fishing pole—from start to finish.

The workshop began with a bare rod as the starting point. Each participant had the chance to choose their favorite rod color and thread, adding a personal touch to their creation. Parents and kids worked side-by-side,

as they glued the handle to the rod, strung the eye loops, and mounted the reel, all while learning the technical aspects of the craft.

The workshop not only emphasized creativity and craftsmanship but also sparked excitement for the future, as the newly-made fishing poles will be perfect for the upcoming fishing season.

For the 4-H program, this event was another example of how the organization encourages hands-on learning and community involvement, all while fostering important life skills.

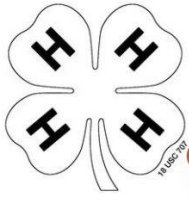

As the 4-Hers showed off their finished poles, it was clear that the experience had created lasting memories. Many were already looking forward to putting their new fishing poles to the test in the great outdoors.
